December 2013

Dear Nursing Alumni,

The virtual Phi Epsilon Chapter of the Sigma Theta Tau International (STTI) Honor Society of Nursing, chartered in March 2011 at the George Washington University, would like to invite you to apply for nurse leader membership. STTI, the world’s only nursing honor society, has created this membership to honor today’s outstanding clinicians, scholars and leaders for their contributions to nursing. Eligible candidates hold a minimum of a baccalaureate degree and have demonstrated accomplishment in nursing in at least one of the following areas: education, research, practice, administration, or publication.

Please follow these links to learn more about the honor society. The staff at its headquarters in Indianapolis, Indiana will forward your application to the nurse leader review committee at the respective chapter for review and decision. The chapter will notify the headquarters of approval within 30 days, and will inform you of the outcome. Membership dues are comprised of international (USD$69.50) and chapter (USD$35.00) fees.
