SPRING ENTRY PART-TIME PROGRAM OF STUDY

RN-BSN: Registered Nurse to Bachelor of Science in Nursing

School of Nursing
THE GEORGE WASHINGTON UNIVERSITY

The Registered Nurse to Bachelor of Science in Nursing (RN-BSN) program is offered part-time (four semesters) through an online distance format, allowing students to progress quickly through the program of study while continuing to work as a professional nurse. This Spring entry program of study outlines the 36 credits; 21 credits plus 15 credits awarded through NURS 4121: Nursing Advancement Professional Portfolio course. In NURS 4121, students are required to write a summary of academic achievement in each RN-BSN program required course and elective courses. This course has a flat fee of $500 instead of per credit tuition. Students completing GW Nursing RN-BSN program may have up to 9 credits applied to the MSN program at GW. The completed credits are eligible to be used for the GW Nursing MSN program within five years of graduation.

Nursing Electives:
NURS 4105: Disaster Preparedness
NURS 4106: Global Health
NURS 4107: Addictions and Treatment
NURS 6181: Creativity and Innovation in Health Care
NURS 6202: Concepts in Population Health (Recommended for students considering a master's program)
NURS 6203: Nursing Leadership (Recommended for students considering a master's program.)
NURS 6205: Health Policy, Quality and Political Process (Recommended for students considering a master's program.)
NURS 6207: Evidence Based Practice for Health Care Researchers (Recommended for students considering a master's program.)
NURS 6233: Genetics for Health Care Providers (Recommended for students considering a master's program except the Nursing Leadership and Management program.)
NURS 6262: Leadership Coaching in Nursing.
NURS 6263: Teaching and Learning in Health Care
NURS 6274: Health Economics & Finance
