

Accelerated Bachelor of Science in Nursing (Accelerated BSN)

The **Accelerated Bachelor of Science in Nursing (Accelerated BSN)** is a full-time on campus offering and admits for the fall and spring semester. This basic program of study outlines the required 60 credits and the spring entry schedule. Given the academic rigor of this offering and the required clinical hours, GW SON recommends students not be employed while pursuing this degree.

*Courses with one asterisk are graduate-level, web-based learning that may be applied to a Master of Science in Nursing (MSN).

**Courses with two asterisks have a clinical practicum.
